A SEASON PARTICULAR

Shen Wei

A SEASON PARTICULAR captures the beauty and intimacy of moments in peaceful and natural settings that evoke feelings of calm, stillness, serenity, and contemplation. It is an exploration of gender, form, and desire while finding the spiritual and abstract similarities between our bodies and nature and emphasizing the harmony, fragility, and interconnectedness of both. The unique beauty and interplay between the human body and nature aim to elicit a sense of awe, wonder, and appreciation for the world around us, as well as a way to explore more profound spiritual and philosophical questions about the nature of existence and the purpose of life.
